

Identify and write the name of the country that each flag represents, next to the flag.

My suit was...

purchased in 

It was designed in 

The fabric was woven in 

of wool from 

on machinery from 

It was assembled in 

with buttons from, 

thread from, and 

zippers from 

on machinery from 

After you have identified all ten flags above, answer the questions on the following pages.

1) Explain why you think so many different countries were a part of the production of one suit.

2) Which two countries are the closest in location to the United States?

3) Which country is the farthest in location to the United States?

4) Do you think that a country's proximity to the U.S. has any influence on whether its products are shipped to and used in the U.S.? Explain your reasoning.

5) What is the difference between an export and an import?

6) Explain why the U.S. may choose to import or export some products and not others. What factors are involved in that decision?

7) List three items you find at home that were made somewhere besides the United States.
